

CV for Prof. Diaa El-Deen Mohammed Attia Motaweh

First: General Information:

- ❖ **Name:** Diaa Eldin Mohammed Attia Motaweh.
- ❖ **Nationality:** Egyptian.
- ❖ **Religion:** Muslim.
- ❖ **Date of Birth:** 27/09/1965.
- ❖ **Marital status:** Married + (3).
- ❖ **Occupation:** Professor of Curriculum and Instruction in the faculties of Education
- ❖ **University:** Mansoura University (Egypt).
- ❖ **Mobile:** 00201068352020
- ❖ **Current address:** 14 D- Masraweia Compound- South 90 st.- Eltagamoh Elkames New Cairo- dep 302.
- ❖ **E-mail:** diaamotaweh@hotmail.com

Second: Qualifications (scientific certificates).

Doctor of Philosophy (PhD) in Education (Curriculum and Science Teaching Methods)

- Awarded by Faculty of Education, Mansoura University, Egypt in 1995
- Grade: Excellent with Honors
- Dissertation recommended for publication and circulation among Arab and foreign universities

Master of Science in Education (Curriculum and Science Teaching Methods)

- Awarded by Faculty of Education, Mansoura University, Egypt in 1992
- Grade: Excellent
- Dissertation awarded the University Encouragement Award for Outstanding Dissertations in 1993

Diploma in Education

- Awarded by Faculty of Education, Mansoura University, Egypt in 1988

Bachelor of Science in Education (Biology and Geology)

- Awarded by Faculty of Education, Mansoura University, Egypt in 1986
- Grade: Very Good

Third: Career Progression

No	Degree	University
1	Teacher	Ministry of Education
2	Appointed Assistant Lecturer in the Department of Curriculum & Instruction	Faculty of Education Mansoura University
3	Assistant Lecturer Department of Curriculum & Instruction	Faculty of Education Mansoura University
4	Professor- Department of Curriculum & Instruction	Faculty of Education- Mansoura University
5	Adjunct Lecturer, Teaching curriculum and Methos for Early Childhood Education	Faculty of Specific Education in Mit Ghamr
6	Assistant Professor faculties of Education,	King Saud University (Abha Branch), and King Khalid University in Abha, KSA.
7	Assistant Professor, Department of Curriculum and Instruction	Faculty of Education Mansoura University
8	Associate Professor, Department of Curriculum and Instruction	Teachers Collage Jeddah
9	Director of Information Technology Center	Teachers Collage Jeddah
10	Professor, Department of Curriculum and Instruction	Faculty of Education, Mansoura University King Abdulaziz University
11	Director, Quality Assurance and Academic Accreditation Center	Faculty of Education King Abdulaziz University
12	Adjunct Lecturer, Diploma in Education	Arab Open University Jeddah
13	Development Consultant at Education Development Center	Faculty of Education King Abdulaziz University
14	Collaborative Consultant, Development Company Projects	Project of King Abdullah Development of Education
15	Director of Curriculum & programs unit	Faculty of Education King Abdulaziz University
16	Quality and Accreditation Consultant, Academic	Deputy of University of Jeddah
17	Professor, Curriculum and Instruction Department	Department of Curriculum & Instruction Faculty of Education Mansoura University

Fourth: scientific production (research and working papers):

1. **A Proposed Vision to Activate Innovation, Creativity, and Entrepreneurship in Integrated Experience Programs for Gulf Universities** (joint research presented to International Conference of Al-Majma'ah University, 2018, Saudi Arabia
<http://www.eventsheets.com/sites/default/files/>
2. **Factors Affecting the Publication of Educational Research in ISI-Indexed Journals and an Evaluation of Its Obstacles** A paper presented at 5th Scientific Conference organized by the Arab Research and Studies Institute in Cairo; affiliated with the Arab League Educational, Cultural and Scientific Organization (ALECSO), November 28-29, 2017, under the title: "Arab Educational Research and the Knowledge Society".
3. Motaweh, D. & Al-Barhamtoshy (2017) ,Diagnosis of Dyslexia using Computing Analysis, Journal of Engineering Technology (ISSN: 0747-9964) Volume 6, Issue 2, PP.462- 482.
<http://www.joetsite.com/wp-content/uploads/2017/07/Vol.-62-37-2017.pdf>
4. Guidelines for Academic Advising for Graduate Students: on Academic Advising in Higher Education in GCC Countries (Reality and Aspirations) Conference, King Abdulaziz University, Jeddah, November 1-2, 2015

5. Motaweh, D., Fukuyama, H., Issa, A (2014) Effectiveness of the proposed training program on attention and working memory for children with special needs in Saudi Arabia, Life Science Journal, 11 (8), pp 416-474
http://www.lifesciencesite.com/lj/life1108/060_24507life110814_461_474.pdf
6. Hassanin Al-Barhamtoshy, H., Jambi, K., Motaweh, D., Abdou, S. and Rashwan, M.(2014) **Speak Correct: Phonetic Editor Approach**, Life Science Journal, 11 (8), pp 626-640
http://www.lifesciencesite.com/lj/life1108/093_25449life110814_626_640.pdf
7. **Measurement and Development of Physical Fitness Using Technological Devices among University Students**, Conference on Health Issues in GCC Countries, Gulf and Arabian Peninsula Studies Center at Kuwait University, April 29-30, 2014
http://www.kuniv.edu/cons/groups/ku/documents/ku_content/ku_012914.pdf
8. **Evaluation of the Quality of Psychological and Social Care in Orphanages**, Second Saudi Conference for Orphans Care "Towards a better future for our orphans", Riyadh, 1-2 Rajab 1435 AH / 30 April-1 May 2014
<http://scorpanscare.com/Conference.aspx>
9. **The Effectiveness of Blackboard Virtual Learning Technology in Developing Concepts and Technical Attitudes of Students in the Curriculum Updates Course**, Research obtained the 2nd Position of the Rashid Bin Humaid Award for Culture and Science in the IT Hub, 2013.
10. **Analytical vision of the reality of Islam and Muslims in the curricula of the other**, a study presented to UNESCO Regional Symposium on Social and Human Problems Impeding Peace and Stability in the World, Jordan, September 2-4, 2013
<http://foe.njb.kau.edu.sa/Pages.aspx>
11. **Professional Development Project for Qualifying School Leaders** (Scope of Work of the Professional Leader Project) (Project No. TP2013-02-81), one of the development projects of the King Abdullah Project for the Development of Education in the Kingdom of Saudi Arabia, 2013.
12. **"Academic Accreditation of the College of Education at King Abdulaziz University between Reality and Aspiration"** A study presented at the fourth international forum organized by the Ministry of Education in the Kingdom of Saudi Arabia under the title "Education and Evaluation for Improvement and Development" during the period (18-22) Rabi' Al-Thani 1434 AH.
13. **Scientific Research Skills and Paper Preparation Program for Supervisors**, A training program for female Ministry of Education employees within the ministry's executive programs in cooperation with the Secret Technology Training Center, 2013.
14. **Evaluation and Development Study of the Comprehensive Curriculum Development Project in the Kingdom of Saudi Arabia**, One of the priority projects of the Ministry of Education in the Kingdom of Saudi Arabia in 2013.
15. **Evaluation of the Reality of Implementing Training Programs in the Educational Field at the Kingdom of Saudi Arabia**, One of the priority projects of the Ministry of Education in the Kingdom of Saudi Arabia in 2013.
16. **Prevalence of Learning Difficulties among Students in Elementary Schools in General Education in the Kingdom of Saudi Arabia**, One of the priority projects of the Ministry of Education in the Kingdom of Saudi Arabia.
17. **Study of the Prevalence of Attention Deficit Hyperactivity Disorder among Students in Saudi Schools**, (Project under review) one of the priority projects of the Ministry of Education in the Kingdom of Saudi Arabia.
18. **TIMSS Tests Study**, One of the priority projects of the Ministry of Education in the Kingdom of Saudi Arabia.

19. **Predictive Guidelines for Forecasting the Most Suitable Academic Specializations for Preparatory Year Students at King Abdulaziz University**, A development project submitted to the Agency for Educational Affairs at King Abdulaziz University.
20. **Evaluation of the Roles of Saudi Society Institutions in Promoting Citizenship to Confront Intellectual Extremism from the Perspective of Diploma Students in Education at King Abdulaziz University**, Accepted for publication at the conference "Youth and Values in a Changing World" Prince Sultan Chair 2013, Prince Sultan Chair, King Abdulaziz University, Jeddah.
21. **Effectiveness of Educational Curricula in Developing Citizenship Values among Saudi Youth**, Accepted for publication at the conference "Youth and Values in a Changing World 2013" Prince Sultan Chair, King Abdulaziz University, Jeddah.
22. **Proposed Program for Developing Skills in Using E-Learning and Training Tools**, 7th International Conference 2012 on Quality of University Education, Arab Center for Education, Cairo.
23. **Proposed Educational Technology Projects for Improving the Gifted Care System in the Kingdom of Saudi Arabia**, 7th International Conference 2012 on Quality of University Education, Arab Center for Education, Cairo.
24. **Developing Systemic Thinking Skills and Creative Thinking Management Strategies in Learning Communities in Saudi Universities**, Competitive project for the Ministry of Higher Education 2012, Center for Gifted Care at Prince Muhammad bin Salman University
25. **An E-Learning Training Program for Developing the Competencies of Faculty Members Required to Discover and Care for Creatives in Saudi Universities**, Competitive project for the Ministry of Higher Education 2012, Center for Gifted Care at Prince Muhammad bin Salman University.
26. **Discovering Creative Students and Predictive Indicators for Their Care at King Abdulaziz University**, Competitive project for the Ministry of Higher Education 2012, Center for Gifted Care at Prince Muhammad bin Salman University.
27. **Gifted Projects (Their Curricula, Schools, Centers)** Presented to the Prince Naif bin Abdulaziz Center for Social Research in 2012.
28. **Evaluation of the Training Project for Educational Cadres in Jeddah (A study that won the Educational Axis Encouragement Award for the Rashid Educational Award in 2012)** Ajman, UAE.
29. **Applied Visions for Activating the Contents of Quality and Academic Accreditation in Private Universities**, Published at the Fifth International Conference on the Future of Arab Educational Reform for the Knowledge Society, Arab Center for Education and Development 2010, Cairo, Egypt.
30. **Electronic Crimes Related to Morals**, Ajman Journal of Research and Studies, Ajman, UAE 2009.
31. **Interdisciplinary Studies**, Fourth International Conference of the Arab Center for Education and Development, Cairo-Egypt 2009.
32. **The Interactive Relationship between E-Learning and University Learning Resource Centers**, At the Second Conference on Planning and Development of Education and Scientific Research in Arab Countries - King Fahd University of Petroleum and Minerals - 24-27-February 2008 (Joint working paper).
33. **A Proposed Vision for Restructuring the College of Education at King Abdulaziz University at the Second Conference** on Planning and Development of Education and Scientific Research in Arab Countries - King Fahd University of Petroleum and Minerals from 24-27 February 2008 (Joint working paper).

- 34- **Visions on the Roles of Curricula in Developing Thinking in Media Content to Achieve Media Education** - The First International Conference on Media Education Organized by the Ministry of Higher Education in Riyadh from March 4-7 - 2007 (Joint working paper).
35. **Effectiveness of a Proposed Health and Physical Education Course in Developing Students' Achievement in Science Teachers' Concepts and Attitudes Towards Learning It with the Help of Computers**, Research accepted for publication in the Journal of the Faculty of Education, Mansoura University 2007.
36. **Evaluation of Preventive Educational Guidance Programs to Raise Awareness among Secondary School Students about the Health and Psychological Effects of Smoking and Drugs in the Kingdom of Saudi Arabia**, Research accepted for publication in the Journal of the Educational Research Center, Umm Al-Qura University, Makkah Al-Mukarramah, 2005, pp. 1-105.
37. **Effectiveness of a Computer Program for Environmental Education and Management in Developing Environmental Knowledge and Awareness among University Students**, Arab Journal of Education, Volume (25) (Number 2), Arab Organization for Education, Culture and Science (ALECSO), Tunis, 2005, pp. 134-196.
38. **Developing a Teacher Training Program for University Teachers at King Abdulaziz University**, Journal of the Faculty of Education, Zagazig, January issue, Zagazig University, 2005, pp. 133-190.
- 39-**Trends in Developing Aerobic and Anaerobic Capacities for Athletes and Their Nutrition Standards to Raise the Level of Arab Training and Sports (Joint Research)**, A refereed paper presented at the Prince Faisal bin Fahd Award for the Development of Arab Sports for the Years (2004-2005), Riyadh. pp. 1-148.
40. **Ethical Crimes of Applications of Some Biotechnology and Their Reflections on Community Security**, Paper presented at the Annual Fourth Community and Security Symposium, Riyadh, King Fahd Security College, September 2005.
41. **Educational Development Visions for the Islamic Da'wah Curriculum (Joint)**, Da'wat Al-Haqq Series, No. (210), Muslim World League, Makkah Al-Mukarramah, 2005-1426 AH.
42. **Curricula and Their Role in Developing Creative Thinking Skills**, A research paper that won the Rashid Award in the field of Educational Sciences in 2003, published in the Ajman Journal of Studies and Research, Volume 3, Number 1, Rashid bin Hamad Award for Culture and Sciences, Ajman, United Arab Emirates, 2004, pp. 7-56.
- 43- **Training Educators in the Gulf Cooperation Council Countries**, A research paper that won the Rashid Award in the field of Educational Sciences in 2004, published in the Ajman Journal of Studies and Research, Volume 3, Number 2, Rashid bin Hamad Award for Culture and Sciences, Ajman, United Arab Emirates, 2004, pp. 7-38.
44. **Islamic Culture through Educational Curricula and the Desired Security for Society**, A research paper published in Issue (21) of the Islam Today magazine, the Islamic Educational, Scientific and Cultural Organization (ISESCO), Rabat, Morocco, 2004, pp. 127-142, pp. 135-150 (English), pp. 317-336 (French).
45. **The Reality of Science and Health Education Books for Intellectually Disabled Students in Elementary School in the Kingdom of Saudi Arabia**, A research paper published in the first volume of the Curriculum Building Foundations and Starting Points Symposium held at the Faculty of Education at King Saud University, Riyadh, 2003, pp. 553-606.
46. **Developing a Unit in the Science Curriculum for the Hearing Impaired in the Light of Their Characteristics and Needs and the Effect of Teaching It on the Development of Achievement and Scientific Self-Concept among Middle School Students in Saudi Arabia**, Arab Childhood Magazine, Number (10), Kuwait, Kuwait Society for the Advancement of Arab Childhood, 2002, pp. 7-53.

47. **Motherhood Culture in Secondary Education Curricula for Girls in the Kingdom of Saudi Arabia (Joint)**, Arab Childhood Magazine, Number (12), Kuwait, Kuwait Society for the Advancement of Arab Childhood, 2002, pp. 7-40.
48. **The Disabled and Some Educational Ways to Care for Them in the Kingdom of Saudi Arabia**, Al-Taawon Magazine, No. (55), Riyadh, Gulf Cooperation Council for the Arab States, 2002, pp. 59-106.
49. **Problems of Arab Childhood and Ways to Confront Them from an Islamic Perspective**, A Paper presented to the International Symposium on Child Issues from an Islamic Perspective, Morocco, ISESCO Organization, October 2002, pp. 175-193.
50. **Communication and Media Technologies and Their Effects on Youth**, Security Research Journal (Joint Research), No. (22), Riyadh, Research and Studies Center at King Fahd Security College, 2002, pp. 157-196.
51. **Modern Trends in the Use of Educational Technology in Science Education**, Arab Journal of Education, Volume (22), Number 2, Tunis, Arab Organization for Education, Culture and Science, December 2002, pp. 87-128.
52. **Educational Visions to Improve Higher Education Outcomes**, Working paper presented at the Annual Second Community and Security Symposium, Riyadh, King Fahd Security College, October 2002.
53. **Effectiveness of Computer Games in Students' Achievement with Dyslexia for Some Science Concepts in Middle School in the Kingdom of Saudi Arabia**, Rasalat Al-Khalij Al-Arabi Magazine, No. (77), Riyadh, Arab Bureau of Education for the Gulf States, 2000, pp. 139-199.
54. **Effectiveness of a Module-Based Program in Developing Health Behavioral Awareness and Self-Directed Learning Attitudes among Elementary School Teachers**, Journal of the Faculty of Education, Mansoura University, No. (39), January 1999, pp. 1-48.
55. **Raising the Awareness of Science Teacher Students at King Khalid University about the Phenomenon of Desertification and Its Effects on the Saudi Environment**, Research at the Third Scientific Conference of the Desert Studies Center - King Saud University in Riyadh, November 1999.
56. **Developing the Professional Performance of Faculty Members at the University**, A paper presented at the Workshop on Developing the Professional Performance of Faculty Members held at the Faculty of Education in Abha in 1999.
57. **Improving the reality of science education in the light of the implications of some modern educational literature**, research published in the second scientific conference of the Department of Curriculum, Faculty of Education, Kuwait University, held from 7-10 March 1998.
58. **Developing Awareness of Bioethical Developments among Mosque Imams and Religious Education Teachers**, Joint research (winner of the Bin Turki Award in Madinah Al-Munawwarah, Future Planning Research Branch), sponsored by the League of Arab States in 1998.
59. **Beliefs and Superstitious Interpretations among Elementary Education Students about Some Natural Phenomena - Diagnosis and Treatment**, a Research paper published (in the first volume) of the Second Scientific Conference of the Egyptian Society for Science Education held in Ismailia (Palma) from 2-5 August 1998.
60. **Education and Environmental Media**, Research paper that won the Arab League of Ministers of the Environment Award at the League of Arab States in 1997.
61. **Developing Awareness of Environmental Ethics among University Graduates**, Developing awareness about environmental ethics for graduates at the 39th International Conference on Education and the Environment in Malaysia from August 6-10, 1996.

Fifth: Books:

1. **Biotechnology Developments and Their Ethical Controls**, Arab Bureau of Education for the Gulf States, Riyadh, 2004.
2. **In Human Biology and Health Education**, Kuwait Foundation for the Advancement of Science, Kuwait, 2004.
3. **Educational Development Visions for the Islamic Da'wah Curriculum (Joint Authorship)**, Da'wat Al-Haqq Series, No. (210), Muslim World League, Makkah Al-Mukarramah, 2005-1426 AH.
4. **In Environmental Culture and Enlightenment**, Kuwait Foundation for the Advancement of Science, 2007.
5. **Introduction to Teaching**, Dar Al-Roshd, Riyadh, 2012.
6. **Effective Communication Skills**, Dar Al-Roshd, Riyadh, 2013.
7. **Teaching... Principles, Strategies, Updates**, Center for Scientific Publishing, King Abdulaziz University 2014.
8. **Principles of Scientific Research and Its Skills in Educational, Psychological and Social Sciences**, Dar Al-Roshd, Riyadh, 2014.
9. **Effective Teaching Strategies**, Al-Mutanabi Library, Dammam, 2014.
10. **Elementary School Curricula between Modernity and Quality**, Al-Mutanabi Library, Dammam, 2014.
11. **Introduction to Natural Sciences**, Al-Mutanabi Library, Dammam, 2014.
12. **Effective Teaching Skills**, Dar Al-Roshd Library, Riyadh, 2015.
13. **Learning, Thinking and Research Skills**, Dar Al-Roshd Library, Riyadh, 2015.
14. **Assistive Teaching Technologies for Disabilities, Disorders and Learning Difficulties**, Dar Al-Roshd Library, Riyadh, 2016.
15. **Quran Stories for Children** (English book with pictures), in press.
16. **Modern Trends in Curricula and Their Applications in the Information Age**, International Publishing House, Riyadh, 2017.
17. **Environmental Education... Concepts, Issues, Applications, Controls**, International Publishing House, Riyadh, 2017.
18. **Health Culture... Concepts, Issues, Applications**, International Publishing House, Riyadh, 2017.

Sixth: The university courses that have been prepared and taught.

1. Science Teaching Methods
2. General Teaching Methods
3. General Curricula
4. Practical Skills
5. Computer Applications in Education
6. Environmental Education
7. Environmental Studies (Elementary Education)
8. Kindergarten Textbook
9. Scientific Concepts (Kindergarten)
10. Kindergarten Activity-Based Curriculum
11. Kindergarten Teacher
12. Integration of Learning Resource Center Programs into the Curriculum

13. Learning Resource Center Specialist Curriculum
14. Computer Teaching Methods
15. Issues and Problems in Teaching
16. Teaching Strategies and Skills
17. Teaching Methods (Professional Diploma)
18. Practical Education and Field Training
19. Educational Technology
20. Environmental Sciences (Educational Qualification)
21. Biological Sciences (Elementary Education)
22. Introduction to Educational Technology
23. Environmental Concepts (Kindergarten)
24. Preschool Programs
25. Exhibitions, Museums and Libraries
26. Elementary Education Curricula
27. Modern Trends in Curricula and Their Applications
28. Research Methods in Education and Psychology
29. Science Curricula and Teaching Methods in Education
30. Modern Trends in Science Teaching
31. Modern Trends in Computer Teaching
32. Research Seminar on Curricula and Teaching Methods

Seventh: Diverse Experiences

1. Head of the Planning and Programs Unit at the Faculty of Education, King Abdulaziz University.
2. Supervisor and reviewer of master's and doctoral theses in curricula, teaching methods, and educational technology.
3. Member of the Scientific Committee and the Graduate Studies Committee in the Department of Curricula and Teaching Methods at the Faculty of Education.
4. Coordinator of the master's program and member of the scientific committee preparing it at the Faculty of Education at King Abdulaziz University.
5. Scientific research development consultant and academic accreditation committees at the Faculty of Education, King Abdulaziz University.
6. Consultant in cooperation with a development company for the King Abdullah Project for Education Development.
7. Member of the Development Committee for the Strategic Plan of the Founder's University in its second session.
8. Member of the team to restructure the faculties of education affiliated with King Abdulaziz University.
9. Head of the Center for Comprehensive Quality, Evaluation and Academic Accreditation - College of Teachers - King Abdulaziz University.
10. Supervisor of smart teaching, interactive teaching and micro-teaching units.
11. Head of the Information Technology Unit at the College of Teachers.
12. Trainer in cooperation with the Center for Development of University Education.
13. Quality and accreditation consultant at the College of Science and Technology.

14. Delegate to teach at the Faculty of Qualitative Education in Mit Ghamr during the academic years 1996-1998 for the departments of educational technology and kindergarten.
15. Participant in (12) of the awareness-raising cultural courses organized by the Nile Center for Education, Information and Communication in Dakahlia Governorate during the period from 1995 to 1998.
16. Participant in the establishment of the Egyptian Society for Science Education, which was registered under number (4323) in 1996.
17. Chairman of the Board of Directors of Al-Dakahlia News Newspaper in 1996.
18. Candidate for the Grants for Distinguished Young Arab Scientists in the Environmental Field in 1998.
19. Participated in many international, Arab and local conferences, seminars and scientific courses, and received multiple certificates of appreciation.
20. Prepared for many scientific measurement tools, and reviewed many measurement tools in the fields of teaching methods, educational technology, e-learning, innovation, science and environmental education, field education, and special groups.
21. Supervised student teachers during their practical education training, environmental service, and adult education for elementary education departments, and summer training for industrial education departments.
22. Participated in the training programs implemented by the Directorate of Education in Dakahlia Governorate to upgrade teachers.
23. Served as a member of the committees of the Department of Curricula and Teaching Methods at the Faculty of Education at King Saud University and King Khalid University in Abha, including the Cultural Committee, the Examinations Committee, and the Environmental Education Symposium.
24. Participated in the Symposium on Developing the Professional Performance of Faculty Members at the University, Faculty of Education, Abha, 1999.
25. Participated in the training program for teachers, supervisors and directors at the Hope Institutes for the Hearing Impaired, which was organized by the Education Directorate in the Asir region during the period 16-20/11/1421 AH corresponding to 22-24 April 2001 AD.
26. Served as a member of the Committee for the Establishment of the Educational Research Center at the Faculty of Education, King Khalid University in 2002.
27. Participated with a working team from the Faculty of Education at King Khalid University in two research projects affiliated with King Abdulaziz City for Science and Technology and Prince Salman Center for Disability Research to diagnose cognitive disability (dyslexia) and prepare appropriate treatment programs (project 13 for the year 1423 AH).
28. Participated in a symposium on the role of educational institutions in raising environmental awareness among generations, published in the university horizons newspaper issued by the media center of King Khalid University, issue (14) for the month of Dhul Hijjah 1423 AH.
29. Wrote a scientific article entitled "Environmental education at the university level" published in the University Horizons newspaper issued by the media center of King Khalid University, issue (14) for the month of Dhul Hijjah 1423 AH.
31. Reviewed some articles and studies published in the Cooperation Magazine for the Gulf Arab Countries.

32. Membership in several committees of the teachers' college in Jeddah, including The Curriculum Development Committee, The Study Team for the Problems of Supervision of Field Education, The Research Team for the Development of Student Services
33. Membership of the curriculum committee for the development of the program of preparing the teacher of the Holy Quran in Imam Shatbi Institute of the Holy Quran Memorization Society in Jeddah during the academic years 1424H - 1425H.
34. Participated with teams from the Colleges of Teachers, King Abdulaziz University in Jeddah, and Umm Al-Qura University in Makkah Al-Mukarramah in two research projects to evaluate teacher performance and educational training centers in the Makkah Al-Mukarramah region during the period from 1424 AH to 1427 AH.
35. Participated in the "Ways to Activate the Prince Abdullah bin Abdulaziz Document for Education Development" seminar and workshops organized by King Abdulaziz University in Jeddah during the period from 19-21 Dhul Hijjah 1425 AH corresponding to January 30-February 1, 2005 AD.
36. Collaborated with a research team from King Abdulaziz University on a proposed research project for the "Afaq" studies for faculty members during the academic year 1426-1427 AH. The project focused on developing future plans for the next 25 years to develop the multiple functional roles that faculty members in Saudi universities are required to perform.
37. Participated in the "Community and Security" seminar held at the King Fahd Security College in September 2005.
38. Served as a member of the Education and Training Committee of the Education Council in the Makkah Al-Mukarramah Emirate in 1427 AH.
39. Participated in many training courses on topics such as university teacher preparation, e-learning, scientific research, creative teaching, and biotechnology during the period from 1424 AH to 1427 AH.
40. Participated in the "Our Children and Technology" seminar organized by the Al-Rawabi Center in Jeddah on May 24, 2007.
41. Participated in the preparation and implementation of training programs for the university's student counseling department (scientific research program, thinking skills program, test anxiety reduction program) in 2013.
42. Wrote an article titled "I Read for You about the Book 'Science on the Internet' by Ebenezer and Lu" published in the Madinah newspaper on the issue (15244) on Monday, January 17, 2005 AD.
43. Reviewed the book "Creative Thinking between Theory and Practice" (Prepared by: Dr. Abdullah Al-Safi), and the review was published in the Huqoul magazine, the first issue of the Riyadh Literary Club, Riyadh, June 2004 AD.
44. Served as a member of many scientific societies, including:
 - The Egyptian Society for Science Education (Founding Member)
 - An active member of the Egyptian Curriculum Society
 - Member of the Modern Education Association
 - Member of the Saudi Society for Educational and Psychological Sciences (JUSTEN)
 - Member of the WEF Educational Fellowship Association
 - Member of the Saudi Quality Association

Eighth: Training Courses:

1. (6) courses to develop the capacity of faculty members within the FLDP program during the period 2005-2007: decision-making and problem-solving, time management and work stress, Administrative Skills, Quality Assurance, and Accreditation in Higher Education, Economics of Marketing and Financing Scientific Research.
2. Courses in Computer Science: DOS, Basic, Word, Excel, PowerPoint, SPSS
3. Advanced English Language Course in 1988
4. Leadership Development Course at the Institute of Leadership Development in Helwan, 1996
5. University Teacher Preparation Course at Mansoura University, 1993
6. Professional Development Courses for Faculty Members at King Abdulaziz University

Ninth: Awards and Certificates of Appreciation:

1. Second Place, Rashid Bin Hamad Award for Culture and Science, UAE, 2018 (Social Studies)
2. Second Place, Rashid Bin Hamad Award for Culture and Science, UAE, 2013 (Information Technology - Virtual Blackboard Technology)
3. Rashid Bin Hamad Award for Culture and Science, UAE, 2012 (Education - Evaluation of Training Programs)
4. King Abdulaziz University Award for Excellence in Attaining International Awards, 1430 AH (2009)
5. First Place, Rashid Bin Hamad Award for Culture and Science, UAE, 2010 (Social - Cybercrime)
6. First Place, Rashid Bin Hamad Award for Culture and Science, UAE, 2008 (Educational Studies)
7. First Place, Sheikh Khalifa Scientific Award in Educational Research, 5th Cycle 2005-2006
8. Second Place, Prince Faisal Bin Fahd Award for Development of Arab Sports Research, 2005
9. First Place, Rashid Bin Hamad Award for Culture and Science, UAE, 2004 (Educator Training)
10. Rashid Bin Hamad Award for Culture and Science, UAE, 2003 (Curricula and Creativity Development)
11. Bin Turki Award, Madinah, 1998 (Sponsored by the Arab League - Future Planning Research)
12. Arab Ministers of Environment Award, Arab League, 1997 ("Environmental Education and Media")
13. Master's Thesis Encouragement Award, Mansoura University, 1993
